

DUCK CUP PUPPET

crafts to inspire play

You will need:

- styrofoam cup
- pen or pencil
- yellow card stock
- paint & brushes
- scissors
- glue

1. Draw the outlines of Duck's eyes with pencil or pen
2. Paint on the eyes and green body colour, outline the eyes in black
3. Use the template provided to cut the beak out of the yellow card stock
4. Bend the long beak piece over, and glue the small rectangle to the end as shown
5. Now glue on the side pieces to make a sturdy yellow beak
6. Glue the beak to the cup and say hello to Duck !

Quack!

You've got your very own Duck cup puppet to play with.

Enjoy & have fun.
